“Measuring up to Work”.

School Name: **GLENMORE PARK HIGH SCHOOL**

STW Coordinator: **ANGELIKA CORNISH**

	School Initiative
Key Result Area connection (background)	• “Measuring up to Work” initiative developed for disengaged boys and links to the State Key Result Area of Exploring Careers Futures
Initiative outline	• To provide boys in Year 9 who are disengaging from school with opportunities to explore careers and to visit employment fields that are of interest to them • To increase parent involvement in the career pathway planning process
Who supports and organises implementation?	• Careers Adviser • Year 9/10 Year Adviser • Boys Business Co-ordinator
Highlight student and/or school outcomes	• Increase in student confidence to source career options through different media • To develop skills required to sit an apprenticeship aptitude test • To locate and pursue job opportunities
2008 Enhancements	• Involvement of the Local Community Partnership to source possible employers to host a site visit • To encourage girls interested in trades to participate in the program
2008 Financial allocation being applied for (budget)	• 2 days teacher relief for interviewing and liaison with employers and Local Community Partnership - $500 • Bus hire for industry visit for 2 days - $740
